

### Women's Club Has Bar

LONDON, Dec. 10.—The new women's club in Grosvenor Place, the "Forum," has an American bar with one of the best lists of cocktails in the West End of London.

"Gloom Raiser," "Elephant's Kick," "Monkey's Gland" and "Pussyfoot" are the names of some of the drinks, says "The Globe," while "Silver Fizz," "Honey's Neck," "Widow's Kiss," "Rain-

bow" and "Clover Club" also are available.

### Resolutions Against Pogroms Presented to Lansing

WASHINGTON, Dec. 10.—Resolutions adopted at mass meetings in New York and other large cities on November 24, protesting against the recent pogroms in Ukraine, in which it was said, 40,000 Jewish men, women and children lost their lives, were presented to Secretary Lansing to-day by a delegation from the American Jewish Congress, headed by Louis Marshall, chairman of the Congress.

### Board Acts to Retain School Lunch System

Education Members Authorize \$49,059 for Next Year and Ask City to Establish the Necessary Jobs

Urged By Women's Clubs

Representatives of Organizations to Press Case Before Board of Estimate

The fight of the women's clubs of the city for penny lunches for school children was apparently won yesterday, when the Board of Education, with representatives of all the women's clubs in the city present, passed two resolutions bearing directly on the lunch question.

One resolution authorized the use of \$49,059 in 1920 for penny lunches. The other called the attention of the Board of Estimate to an appropriation of \$50,000 in the budget for 1919 for the establishment of school lunches. It also requested the board to recommend to the Board of Aldermen the establishment of positions for helpers, for lack of which the lunches were discontinued. Comptroller Craig recently said that no authority existed to use the money for positions not legally created.

Anning S. Prall, president of the Board of Education, said that, despite the unfavorable ruling of Comptroller Craig, the appropriations for lunches would undoubtedly be approved by the Board of Estimate a week from tomorrow. It then developed that on that day the various women's clubs intend to pack the chamber of the Board

### Private Funds for Helpers

The resolutions are expected to give early relief to 300 children at Public School 120, the city's school for delinquent boys, and public school for the deaf at Twenty-third Street and Second Avenue. These schools are fully equipped for serving lunches, but have no helpers to serve the lunches. Because their students are forced to remain at the school at the noon hour the teachers at these two schools have been supplying the needed help. Three of these helpers have been paid by outside funds, but three others remain unpaid.

When an attempt was made to use portions of the \$50,000 available for the lunches it was found that no estimates had been included for providing helpers. An emergency request to that effect reached the Board of Estimate two days after the budget was closed. Dr. Gustave Straubmuller, of the Department of Education, issued an order that would stop the lunches on December 24.

The new requests, if granted, will insure the installation of penny lunches in more than thirty schools next year. It was stated yesterday, Public School 37, also for delinquent boys, will probably be the first to receive assistance. Next will come schools attended by children whose parents are away working at the noon hour and unable to provide meals for the children.

### To Test Weight of Children

Ultimately, it is expected to extend the system to every school where lunches are needed. This hope is based on a recent survey made by the Child Health Organization, which shows that from 30 to 40 per cent of the school children of the country are undernourished. It is planned to restore these children to normal vitality and teach them the proper sort of food to eat. A pair of scales will be placed in every school to encourage children to watch their physical condition by means of weight tests.

Representatives of the women's clubs, who have been urging school lunches for three years, emphasized the point that by paying six to ten cents for their lunches, the children keep the lunch system from being charity and make it practically self-supporting. For six cents a child can get soup, two slices of bread, and a dessert. Attention was also drawn to a statement by Herbert Hoover that

### Letters Disappear From Education Board Files

Prall's Correspondence With Law Department Gone, Hyman Orders Police to Investigate

Anning S. Prall, president of the Board of Education, was at loss last night both as to the contents of letters mysteriously taken from his office files between last Friday night and Monday morning and the identity of the person or persons who performed the abstraction.

At Mr. Prall's request Mayor Hyman yesterday ordered Police Commissioner Enright to detail detectives "to detect the culprit or culprits who pilfered the files," which contained correspondence between the Corporation Counsel's office and the Board of Education from January, 1919, to date.

"If you remember," the Mayor's letter said, "there was an important decision handed down a few days ago by the Court of Appeals which gives the Commissioner of Accounts the authority to make an investigation of the finances of the educational department. Outside reform school agencies and other reform organizations have been interfering with the administration of affairs of the Board of Education over the school system, and certain persons in the school systems have put forth every effort to impede the administration of affairs by the Board of Education."

The Mayor wrote Commissioner of Accounts Hirschfeld that President Prall is very anxious to have him begin the investigation without delay.

### Income Tax Due on Dec. 15

WASHINGTON, Dec. 10.—Warning that December 15 is the last day for payment of the fourth quarterly installment income tax for 1919 was issued to-day by the Bureau of Internal Revenue. Persons from whom the payment is due were urged to mail their remittances immediately to avoid accidents and delays occasioned by the rush of Christmas mail.

"The penalty for failure to pay on time," said the statement, "is an additional assessment of 5 per cent of the amount due, plus interest at the rate of 1 per cent a month during the time it remains unpaid."
